Unless otherwise accredited, all original artwork, limited edition prints, cards, photography and text published on this website ([www.artbyirenagrazia.com](http://www.artbyirenagrazia.com)) is the Copyright of Irena Massarella (ArtByIrenaGrazia).

Any unauthorised use and/or reproduction of any material (image or text) from this website without the written permission of Irena Massarella (ArtByIrenaGrazia), the author and owner, is strictly prohibited. I have detailed below some guidance.

### **How to share from my website for personal use**

In order to support my art and fundraising mission, please do share my website and links of work among your circle of family and friends. This can be done by copying or forwarding URL links by email and sharing on your social media platforms which should link back to my website or social media. Clear credit must be given to ArtByIrenaGrazia.

### **Promotion of my website, work or story**

Should you wish to write about my story or artwork for non-commercial purposes. Such as to promote my charitable aims or for press release etc., on the Internet, hard copy or anywhere else. You must email me to seek written permission prior to doing so.

### **Once you have bought an item, what happens to the copyright of my work?**

Once you have purchased an item from ArtByIrenaGrazia, this does **not** include rights to the copyright. You have purchased the item(s) only. Irena Massarella or ArtbyIrenaGrazia is the artist and still owns the copyright to the image or original artwork. I am able to produce and sell limited edition prints, cards and merchandise using that image.

### **What are you allowed to do with my original artwork, limited edition prints or cards?**

For personal use only, you may take a picture of it to show to friends etc. You cannot in any way reproduce it for commercial gain, for example creating merchandise. In the case of an original piece of artwork, copyright legislation specifies that you cannot obscure my signature or alter my original artwork.

I will consider 'unreasonable' use of my images as infringement of my copyright and actively seek recompense by legal means.

My Copyright statement can and will be updated at any time and I will publish updates on this page linked to my website.
